“ *It has been many years since Bill and I have crossed paths. We were best friends and he was my Best Man at my wedding. Now, only days ago, I found Bill through the internet and called him. We spent time getting to know each other again and promised to stay in touch. I had no idea that he was in ill health. I only hope our time on the phone gave him a good memory to carry with him to Heaven. I call this type of contact as "God Winks". Things that occur in our lives that we only realize later were profound to someone special. I had hoped I could see Bill in the future in Butler later this year. Sadly missed now even more. God be with you, rest in peace my friend.*

“ *I would like to express my deepest sympathy to the family. During this difficult time, God is near to those that are broken at heart, and those who are crushed in spirit He saves. Psalms 34:18*
