“ I’m so shocked to hear of Cliff’s passing. He was my boss at a warehouse in Englewood back in the 80s. He was always such a wonderful and easy-going guy. It was a pleasure to work with you, my friend. May God bless your family

“ I cannot believe that Cliff has passed. He was such a terrific and youthful guy. It is just devastating news. I hope you and your family are holding up. He was one of the best and has left this earth way too soon. We had the best times singing in clubs all over the metro area. He was so talented and helpful to me as a singer. Of course, Frank remembers him from their many chess adventures together. Know that you are in aour thoughts and prayers. I can see him at that big keyboard in the heavens accompanied by the angels above. With deepest sympathy, Lisa Greenfield and Frank Nothafft
