“ *My apologies Connie, I just saw your obituary in the Altoona Mirror. First, I'd like to give my condolence to the family. Connie will be truly missed by the community here in Altoona and injavascript:void(0); Fla. The most caring, giving and tender soul, born to help the community in need. I met Connie while I was working as the Case Manager- Counselor at the Altoona Adult Rehabilitation Center. Connie was on our Advisory Board, and one day approached me with a vision of a program she had in mind, while she was working at the Blair Co. Community Action Agency. Needless to say, the program helped many and a huge success! May GOD rest your soul. You have earned your wings. Rest In Peace Connie... William Franqui Bonnie Farrell*
