“ *Cindy has been like a mom to me for the last 4 years. She would make lunches for Amanda and I for when we went to work, and everyday she would tell us to drive safe, have a nice day and that she loves us no matter where we were going. I'm going to miss her very dearly. I love you Cindy* ❤️

“ *My mom had such a fierce, yet loving personality. Words can't describe how unique she was. We would always share and talk about pictures of bugs, art, owls, etc; She loved surprising me with things just to make me smile. She was my #1 motivator in so many different ways. I could go on and on. She is truly a beautiful soul who is loved and missed so, so deeply.*
