A woman with a passion for making every one she touched feel like they are a #10 to her. What love and joy she found from her family... I am sadden at our loss and pray for comfort to those whose lives she touched so deeply. Peace my friend.*

“ To Cindy's family,

Ted and I labored over our decision to make the "big move" to build our home and live here at Pelican Preserve full time. Cindy was patient, understanding and went out of her way to help us make this wonderful decision. She was one of the most professional sales people I have ever met. It was a pleasure doing business with her.

Every year our neighborhood, "Carena" celebrates the holidays with a Carena Ball, and each year she has gifted our celebration with bottles of champagne! This year I will be sure to toast her at our party!!

She was lovely. we are sorry for your loss.

“ To Cindy's Family,

What can we say, she was a true salesperson, but always had the client's interest at heart. After we had purchased she was always there to chat. It was easy to see she loved the people of PP and what she did and she was loved back She will truly be missed by everyone who knew her.

“ I met Cindy almost 5 years ago when looking for a retirement community in Ft. Myers. She was so helpful and patient when I couldn't move right away. She found the perfect place for me 2 years ago here in Casella. I will remember her as someone who really cared about their clients needs. She was so friendly and always lent an ear to talk. Her friendliness with the residents made a lasting impression. I enjoyed stopping by to say hello and chatting. I won't forget her and I am so sorry to hear of her passing. Jean Scott

“ Dear Cindy's family. We met Cindy 5 years ago as we were planning our move to Florida. Cindy was a true professional helping us to a final decision. Cindy mentioned to us that she loved Michigan apples. After our return to Michigan we visited a Apple Orchard, purchased a peck of freshly picked apples and mailed them to her. She loved them and shared a part of Michigan with her co-workers. Cindy was helpful to everyone. When we were traveling the roads of Pelican and she would be in a WCI golf cart showing homes I would pull up next to her and say..."you folks have the best of the WCI sales staff showing you our life style. You will love her..."and we did love Cindy, she will be missed . Rest In Peace Cindy...you are now one of Gog's special angels....

“ *I met Cindy last March when I started working at Pelican Preserve. We immediately hit it off. We chatted at length about, pets, politics, and business. I mentioned to Cindy that I felt like I had known her for my entire life. Great salespeople have that ability and Cindy was a great salesperson. Her customers loved her as she was most professional. On her desk, Cindy kept two large containers for her coworkers. One was full of chocolates and candy and another one full of pretzels. She would replenish both containers on a regular basis as she would arrive early to do so. Several times I tried to convince her to stop as we were gaining weight. But Cindy would say "Oh no! They're for everyone." During the time I knew Cindy, I would call or text her to see how she was feeling. Each time she would mention that she liked hearing from me and exchanging texts many of which were pics of pets. Cindy loved her cats as they kept her amused. So I continued to text or leave messages on her phone.. Occasionally, she would call me when she had the strength. But it was more texts than phone conversations and I understood. My last text to Cindy was the evening before she passed away. I wanted her to know that I had moved into her office and that it had such good, positive, energy. My thoughts and prayers are with Cindy and her family as she will be sadly missed. Sam Peri*

“ I’m not sure how I could only share one memory of “Mom Cindy”. She was the kindest lady I knew. She always opened her home and heart, and treated me like one of her daughters. I’ll always remember us making Thanksgiving dinner in an unfinished kitchen with Cindy washing dishes in the powder room sink. Love you forever, Mom Cindy and thanks for being my mom when mine was gone.

“ Cindy's love for her family was shown in many ways. She was there when they needed her for help in tough times. She especially made sure they were together for the memories of great vacations and family gatherings. Cindy is now watching over those she loved as their special angel.

As Amherst (Buffalo) residents we had a bond with Cindy as our realtor when we purchased our home at Pelican Preserve. She was warm and friendly, Always eager to help. Throughout the years she always greeted me with a big smile and a great hello. She was a genuine human being and will be sorely missed. She died much too young. Deepest sympathy to her family.
