“ Dear Freinds and Family. Our beloved Dale has blessed our crew with many memories to be cherished forever. Here's one.. For years we went to the Kentucky Derby. Dales first year He pursued the rookie of the year award. He Stuck Kentucky Derby bumper stickers over his front and back. His buck naked body with the self Censored stickers was a sight I will never forget. I'm laughing right now about it. He made the cover of a local news paper in Louisville. Life is way to short for sadness. Let's remember his fun... Love Y'all
