“ Sharon and Family:

*Our deepest sympathy for the loss of Dan as he will be remembered
fondly by so many of us here in Middletown. In particular, Dan was
the influence that got me involved with the Salvation Army more
than 30 years ago which has literally changed my life. He was a
most generous and devoted volunteer and humanitarian in so many
ways and he will be sorely missed.*

“ Dearest Sister of AXiD, Sharon, I will always cherish our fun as the four of us enjoyed every goofy moment of college life. Dan always had the biggest smile and oh how he loved you. Hard to believe a blind date led to a lifetime of love and family. I remember going to Underground and bowling at the Tech student center and lots and lots of laughter. I have asked my husband to find my GSU and GT yearbooks, because that's where most of my college pictures are. When I find them I'll share. I'm so glad precious memories can never be taken, I will think of Dan in his GT band uniform proudly marching to Bobby Dodd and then us sneaking into the band room after hours so we could steal some make out time with our honies. Be strong, remember to smile even as your heart breaks and that Dan will always be "a helluva, helluva engineer"!

“ It was sad to hear this news about Dan. Dan, Pam, and David were neighbors and we grew up together in Middletown. Later on Dan and Sharon attended the same church in Middletown, Grace Episcopal Church. Sharon was the Vestry Secretary when I serve on the Vestry and prayers go out to her and her family during this time. Pam I would be remiss if didn't say I am very sorry to hear about Dan since we dated in high school and also to your mom. Also once at church in Middletown Dan and I were consoling each other over raising our children and Dan reached out and gave a pat on the shoulders. That moment of sharing and his compassion I will never forget. Thank you Dan and rest in peace my friend.
