“ Darlene and John were friends and classmates of mine in a tiny class of 39 in central Illinois. She was smart and loved to have fun and charmed everyone with her big megawatt smile. In later years we learned of her enormous strength as well. She was a warrior who never gave up. We are all stunned and saddened by her passing and heartbroken for her loving, devoted husband and family. My sincere sympathy and continued prayers for John, Jay, Jenny, and the grandchildren.

“ Dear John and Family,  
Though we never got to know Darlene as well as we would have like to, we're certain that she was an exceptional woman. Otherwise, how else could we explain John's constant devotion and love of this beautiful lady. Our thoughts and prayers are with you all.

Coach Weber: Back in the early 90's, when you were molding young men at Cypress Lake HS, including our JD Woolm, Darlene was always in the stands, supporting you & all the CL families. I remember her kind face & smile, and her pride in you & what you were doing. I am so sorry for your loss. So many prayers coming to you & your family---- hopefully they help give you some peace.
