

Darren Patrick Kingston

June 26, 1963 - September 7, 2018

Darren Patrick Kingston, 55, of Bonita Springs, FL, passed away Friday, September 7, 2018. He was born June 26, 1963 in Toms River, NJ, the son of John Patrick and Eileen (née Klunie) Kingston and had been a Bonita Springs resident for the last 47 years.

Darren attended Bonita Springs Elementary School, Bonita Springs Middle School, Bonita Christian Academy, and Cypress Lake High School. He graduated in 1982. He was a jack of all trades, doing construction work, mechanic work, and he was an A/C technician. He could fix anything. He also taught his three daughters everything he could and his proudest moments were seeing his girls fix things on their own. He raised them to be independent and strong. In his spare time, he enjoyed riding, driving or fixing anything with wheels and a motor. He loved gigging and fishing, scrapping and spending time with his grandson or friends... he certainly had a lot of friends. With a big ole heart of gold it is easy to have so many good friends, especially when you're as energetic, happy, fearless, free-spirited and fun loving as Darren

Darren is survived by his loving daughters, Loraine Hundley of Estero, FL and Natalie Kingston of Ft. Myers, FL; his brothers and sisters, Sharon Kingston, Jack Kingston, Keith Kingston, Shawn Kingston and Bridget Mischik; his cherished grandchildren, Travis, Shane, Jacob, Aden, and very soon, William.

He was preceded in death by his wife, Denise Hundley in 2006 and his daughter, Ashley Kingston in 2005.

A memorial service will be held Wednesday, September 12, 2018 at 6:00 p.m. at Shikany's Bonita Funeral Home, 28300 Tamiami Trail South, Bonita Springs.

“ *My dad was the most fun loving, good time making, fixer of anything kind of guy! I love my dad more than I could ever begin to say. No matter how much I put him through, he was always there for me. My dad always told the truth, even if it were something he shouldn't have said out loud, he did it anyway. I have that same trait thanks to him. I am a little more censored but I dont take any crap or let people get away with anything. I couldn't be more grateful for that. My dad never let me think I wasn't able to do something. He gave me the I can do it attitude. I have so many memories that are unbelievable and irreplaceable that is to my fun dad. I just wish I could have had more. More time. More talks. More fun. Maybe just one more hug. I wi miss him until my days here are over but I will also be doing everything I can to make him proud until then.*

A great friend, helped me in life many times moving, towing cars fixing them, he was my friend back in the 70s we grew up and stayed friends, glad I spoke to him about 6 yrs ago we had a long talk, memories and what he was going through, I hope my words stuck with him in encouragement. “ We were brought up in the same neighborhood in Bonita springs. As early as I can remember Darren was the cool crazy guy that could ride a dirt bike like nobody else I knew. I'm 8 years younger than Darren so I looked up to him. My father passed away in 86 so I sought time with the older boys and man did we ever have good times. We'd raise hell day and night down power line road that led to the lake, It was common to see Darren,his family and friends at the dam behind our home or out in east Bonita. Darren had this really cool military Jeep he called cool rusty that was spelled kul rusty on the tail gate, that thing was unstoppable. Another thing that I can remember was Darren's excellent driving skills, simply amazing how he could hook up a full size mobile home with his father's old stepside Chevy with a 6 cylinder in it and move it perfectly on any piece of property. If I had to choose a man to go out rough it out with he'd be the man because he knew how to survive. Darren loved some of the greatest music , pink Floyd, Aerosmith led Zeppelin and more.. I've been listening to a lot of that here for the last few days while working on my Jeep and thinking about Darren. I will never forget you my friend. God bless you

Great way to describe him from a man's prospective. Spot on! He also liked John ,(Cougar), Mellencamp or maybe Denise fancied him & he'd give in & listen to him. While reading his obituary I am shocked to hear Ashley passed away. 😞 I had no idea. I had heard Denise was sick & had ultimately succumb to her illness. 😞 Darren was a character 100 %. May he find his peace 🙏
