“ *My love of music, for me&my brothers&sisters comes straight fr my dad. He had(its still n the family)a beautiful '64 stratocaster guitar that i 1st learned to play on. I can still see him jammin w/his buddy John(Jack)Kidd back n the day. Lol. I always loved itb when he would ask me to sing while he played songs like "Dream" by the Everly Bros. or "Something" by the Beatles. Those r much loved memories i have of my dad.*

“ *One memory that stands out for me, among many, is my arrival for the 1st time n Florida, after my dad's illness was diagnosed, & his wantin me to sit on his lap even tho he looked more frail than maybe he was. I remember bein afraid i would hurt him.Made me feel like his "baby girl"again even tho i was n my 50's. Im still&always will b a daddy's girl!!*
