“ *We knew David from many afternoons at Lake House Bar & Grill in Bonita Springs, FL where we went especially to meet him. Together we shared many discussions of politics and items of personal interest.*

David was one real gentleman who provided exceptional care for both his parents in their later life. His caring was that of a loving son and certainly a blessing to his parents.

Those of us who knew David will certainly miss him. We shall remember his presence as a very positive enhancement to our lives which will never fade from our thoughts. Along with our Lake House friends we will always have David in our hearts and minds. David leaves this world for another one having made a real contribution. We cherish his memory.

“ *I am so sorry that David's time came so soon. I believe that God needed him for something special. David and I were cousins and really good friends when we were young, and as things happen in life as we got older we went our own directions. In recent years I tried to make contact with David but was never successful. David I will always regret that I didn't try harder. I pray for all your family to be able to go forward and embrace all the wonderful memories of you.*
