“ *Truly sorry to learn of David's death. Fond memories, golfing, singing, dancing, boating and just hanging out. He loved and spoke of Aiden often. We had just re-acquainted, had a lovely visit during the Arts Festival with dinner following at the Bay House. Golf plans with he and Aiden on the Sunday he woke not feeling well. He will be and is missed by so many. He was a true gentleman and always a great host.*

“ *I am so saddened I won't have another chance to golf with David and Aidan. Our golf rounds and a bite to eat after were so enjoyable! Sorry I missed your invitations to the lake and to see you in SC last year. I got your phone message a month or so ago and was so hoping to catch up with you this spring and tell you all about Lake Lure. I miss you. My condolences to the family. Lisa Jones*
