“ I am greatly saddened by the loss of a very good guy and great friend. I so looked forward to very Monday night in Naples and dinner at the bar at Campiello’s. David was always there poring my glass of Pino Grigio as soon as he saw me. It started out with Monday Night Football and turner into every Monday night over the past 20 years. David was the biggest and most knowledgeable sports fan I’ve ever meet and we both shared a love for the Dodgers. I will truly miss our times together and morn his early loss.

“ To Dave’s family and friends, We are so sad to hear of the passing of Dave. We met Dave in campiellos and have been been regulars over the past 12 years. He was always the reason we would stop by to share a tale or two with him. We are Scottish and he always loved talking about Ireland and Scotland. I always hoped he would make it to Edinburgh were we could have shown him a good time. What a great genuine guy he was. He will be sorely missed. We are so lucky that we got to know him. May he Rest In Peace, and May God comfort you in your grieve.
With love and prayers. Keith & Natalie Rogers.
