“ *My deepest condolences to you and your family. I am a neighbor of Deanna and we always saw one another while walking our dogs. She was such a lovely lady and she sure did love those dogs so I'm so thankful to hear that someone in the family is going to keep them together and take good care of them just like she did. May she rest in peace.*

“ *My sincere condolences to Deanna's family. I met Deanna while we were both walking our dogs. I always enjoyed talking with her, and my big black lab, Jed, always sat for her to get one of her delicious treats! We will sorely miss seeing her, Missy, and Tucker.*
