“ *Debbie and I have been friends for 30 years. She was truly a one of a kind. We shared so much together. My daughter adored her and Debbie made her feel so special every time they spoke or saw each other.*

Debbie had such a giving spirit. I'll miss our friendship and I'll value every memory we have.

“Debbie was my cousin, friend and my inspiration in many parts of life. Together we loved “stealing” the black olives from Thanksgiving table at grandma and grandpas, sharing recipes as we grew older, sharing stories of our family history and keeping the Klopfenstein story alive. Debbie was the best at the history of our family. I will miss Debbie tremendously and will cherish our last times together. I will always keep the memories. Gale and I send our deepest sympathy and love to all of Debbie’s family. Love, Gale and Karen Hardwick
