“ *Diane was a treasure, full of heart, laughter, sincerity and smart. Knowing her for decades professionally, I trusted her trained eye and knowledge of lighting. She was also a dear friend. It was always a joy to see her and work together on countless projects, respectfully meeting our clients needs beyond their expectations.*

*There were also many memories of laughter when she shared the joys of being a mother and grandmother who you knew absolutely adored her.*

*She touched thousands of lives with her spark. I will miss our beautiful Diane.* 🍷💛💙💚💜

“ My husband and I worked with Diane choosing lighting and fans for a new home we are building, right up to the time she took ill. Diane was always pleasant, helpful and bubbly, and gave 110% to make sure we were happy with our choices. She followed up when needed and did a ton of research behind the scenes to make sure we were happy with our final decisions. By the end of July we were “friends” and would laugh and joke about little things other than lighting. We liked Diane, and we will miss Diane....we wish her peace. Our heartfelt condolences to Diane’s family.

“ *I met Diane shortly after she moved to SW Florida. She always had a sunny disposition, always friendly and welcoming. She was a knowledgeable lighting professional who helped hundreds of families beautify their homes. As a sales rep who called on both Wilson's and Lee Lighting, Diane always asked me about my kids. She was a people person. I'm very sorry for your loss.*
