“ *So sorry to hear of the news of Donna's passing. I worked with Donna and Michael at the Roman Spa onboard the S/S Norway in the early '90's. They were a great couple and wonderful work colleagues. I reconnected with Donna via Facebook a few years ago and she always made time to say hello or to pass a positive comment or two. Thinking of Michael and all her family tonight. Rest in peace Donna.xx*

“ *Donna was my massage therapist for 13 years and my friend for even longer. She helped bring true love into my experience by teaching me to ask the universe for what I want and guided me to go within to find what I truly desire. She will be with me always in spirit.*
