“ *Sweet Donna....so thankful for our laughter, antics and attempting to sort out the world around us on more than one occasion. You are a dear friend, even more so to my Mom, who gave the battle every bit you had. I will miss your mischievous playful spirit and the sweet moments we shared. Run free, my friend. Bless you. “ Words can't express how badly I will miss you...over 20 years of friendship will never be erased. We shared many good times together, laughing and sharing stories that only you and I knew. I know you are in a better place now, no more pain or fighting to put on a good face in spite of your illness. You gave it an excellent fight, my friend and I'll never forget you or our memories...Rest in peace, Donna, I love you. Bev
