“ *She was surely a woman who could light up a room and spread joy with the sound of her laughter. Easy to love and forever an example of genuine caring, warmth, and lightness of heart.*

Sending every bit of love my heart possesses to Chris, Lucas, Steve, and my best friend Abbe.

*Sincerely,

“ I am so sorry for your loss. Doretta was a special person and a life long friend. Many, many years ago we were neighbors and then later Doretta and I worked at CST. She was a quiet and caring person, but she enjoyed life and was always so proud of her family.

I will always remember her kind and caring ways and will keep her in my thoughts and prayers. My thoughts and prayers are also with you and may all your memories help you through this difficult time.

“ To the family of Doretta Schultz

Please accept my deepest condolences on the death of your Mother. She was always a gracious lady in the true sense of the word. Among the three of us in the Records Office Viv Wille was the mild one, except for her laugh, I, being the youngest was the rebel and barged ahead as if everything I did was right whether it was or not, and your Mother was the peace maker, the moderator, the one who would look at all sides of an issue or problem and convince us that she was right.

She was always a true friend and I know you will miss her greatly as all of us who knew her will. She will be missed. May she rest in peace and will be remembered in my thoughts and prayers. Moni Crothers

“ *I had the opportunity to get to know Doretta long after she retired from Saint Mary's Press. I looked forward to our occasional phone conversations and hearing about her time with the company and all the people she worked with. She was a wonderfully spunky and positive person to visit.*

My sympathies and prayers to her children and family.

“ I was saddened to hear of Doretta's passing. We worked together at Saint Mary's Press for many years. She had a heart of gold and saw the good in everybody. A very positive role model and outstanding worker. I was very blessed to have her as my friend. When she was nearing retirement, I would say to her "I wish I could retire too". She would say back to me "Never wish your life away". Those words have stuck with me every since and are so meaningful. God has a very special Angel. May she rest in Peace.
