“ *Doris was one of the dearest, kindest and most wonderful women in the world.*

One could determine very quickly the character of our dear Doris by simply looking at her Bible. I have NEVER seen a personal bible that was so studied, so noted and so worn as Doris'.

This is a woman who knew God's Word and, more importantly, knew God.

I have no doubt that we will see Doris in heaven when the Resurrected Lord Jesus Christ comes to take His church home. It will be wonderful to see her beautiful smile and shining eyes again, to spend eternity with her and all the saints of the past, present and future.
