“ I don't have memories with this beautiful soul because I never met him but I know his beautiful mother who is a hard worker and has also a beautiful smile like him. I'm sending love to both sides. Detachment is not easy and I had to say goodbye to my son 5 years ago and it's painful and hard to understand. I wish you faith and hope you can find something to keep you alive! Love always and I'm here if you need anything. Hug. talk

“ *Dusty Roads.*
My first real memory I have was first time he spent the night.
I think it was an ice storm or something.
No heat, no electricity. So, we put blankets up to entryway of kitchen
and played games. He looked at me and said, "this is great!"
I laughed so hard.
RIP young man. Always in my heart.
