“ We use to be a very. close family always at grandma Landis. Dad Charles Landis his brother Dwight Landis were always together throughout the years came see to their mom when she was ill, and we always got together at aunt Jean Alice house uncle Dwight always more laid back. They were a close family. Uncle Dwight and dad came see to their mom and both helped me fix my shower area. We went to home depot to get tbe supplies Uncle Dwight reminded me thatbthe paneling made to look like tile may not last long yet they still tried make it look nice and had Dan Swartz do the drywall for me. Both brothers cleary cared about each other and they loved their sis aunt Jean. He knew I had trouble with Peg and told me just let it be as she mentally ill not worth it.

“ I remember when him and my Grandpa Charles Landis drove to Indiana. We had a lot of fun together. Uncle Dwight was a loving person that had a great sense of humor. Rest in heaven and don't get into to much trouble with Grandpa and Ivan.
