“ I wish I had a hint that you were leaving so I could have told you how much you meant to me. I don't know how we will go on without you. I am so proud of all of your accomplishments in life. You helped to hold this family together. I love you son and I will miss our little talks. I admit that you were right most of the time. I will hold you in my heart until we meet again.

“ While I only knew Earl for a few years as our proud and devoted maintenance manager at Mariner's Boathouse & Beach Resort, and only got to see him in action and chat with him a few weeks per year, he will be missed by me and all the other owners and staff. Even when he was dealing with issues with his diabetes, he never stopped caring about our resort and always did his best to be at work every day. My heartfelt condolences to his family and everyone that knew him. Dave Wallis (Canada)
