“ *Dear Bev:*

It's been many, many years; I was so sad to read of Ed's passing in the Hthfd Courant and have been remembering all the past years so long ago when we were all young and beginning new adventures.

My deepest sympathies to you.

Dear Bev,

Ed was one of the good guys. His four year leadership of the Harbor Club was a positive time for us. He believed in being kind to all and practiced it daily. It was our good fortune to have known and worked with him. Our very best to you and your wonderful family of which Ed was so very proud. Brad & Jane
