“ *So sorry for your loss. I did not know your mom, but your dad was MY pediatrician, and also my siblings and many of my RI friends. I also live in Naples, but did not know your parents were here. Your dad was a very kind man, although I was VERY scared for my checkup each year because I knew one or 2 "shots" we're coming my way!! Always loved the lollipop with the plastic toy at the end!! May they both rest in peace
