*Fern Hendricks made a major impact on my life! I am so grateful for the influence she gave to me. She mentored me and took me under her wing as one of her own. The successful years I had in Mary Kay Cosmetics, becoming National Queen of Sales for those years, was due in large part to the inspiration she infused into my life! And her joy of Mary Kay was passed on to thousands and thousands of others! I'm thrilled to believe I will see her again one day in Heaven! Reading about her involvement in her church in Florida makes my heart sing! God was truly good to me to put Fern Hendricks into my life. ❤️❤️❤️*

*Fern was such a beautiful lady and a spitfire! Full of energy and life. She was always pleasant and interesting to talk with. She took such great care of Bill.*

*Besides being a neighbor, she was dear friends with Dennis' mother, Frances May, who was also a customer of hers. We always enjoyed seeing her at the Club and out with Carl.*

*She will be missed by all who knew her. Rest in Peace dear lady.*
