

Frances M. Greene

September 30, 1941 - May 20, 2019

Frances Greene of Estero, FL, passed away Monday morning, May 20th. She was born September 30th , 1941, in Portland, Maine to Francis and Pauline Greene.

Fran lived her life with gusto. Her many friends will remember her quick smile, hearty laugh and no nonsense approach to life and circumstance. She was active in her Bella Terra community, joining in many clubs and activities in SW Florida including the Encore Club, card playing, bingo, bunko and botchy ball.

Fran loved dogs. She knew most of the dogs in her community and was known as the “dog whisperer”. Her trick was liberal dispensing of doggie treats and deli turkey.

Fran loved the New England Patriots and Tom Brady. Fran loved classic rock from the 70’s ...Elvis in particular. She liked the songs you could sing along and dance to.

Fran liked casinos, traveling, politics and living life to its full potential.

She leaves us many fond memories and stories to tell. Fran leaves many friends and family who will miss her.

Arrangements are being handled by Shikany's Bonita Funeral Home – Family
Owned Since 1978.

“ *Just found about the loss of Fran. She took care of my pooch Joey and I can tell you how she did love that little guy and I loved her for that. She will be so missed by me and her "family" all. I'd like to think Joey is with her as I write this, such a loss. Launa Taylor*
