“ *To Kathy, Doug, Scott and Barb.*

*Rick was a great guy. We were neighbors for many years on Trillium. I always enjoyed the ski trips that he organized for the guys from Green Bay. We lost touch over the years, but occasionally we would catch up on what was happening in our lives when I would see him in Green Bay. He was always very outgoing and inclusive.*

*Please accept our condolences for your tremendous loss. He will be surely missed.*

“ Dear Kathy and Family,

*Ben told us of Rick's passing. We send you our deepest sympathy. Rick was always so friendly to everyone and I always enjoyed talking to you and Rick at Church. In fact, I just said to my sister Ellen who knew Rick also through Shopko that I had not seen you lately at Church. I did not know you were down in Florida. You are all in our thoughts and prayers.*

“ Dear Kathy and family,

*I was so sorry to hear of Rick's death. I so enjoyed our visits after Mass at St. Elizabeth Ann Seton Parish when you were in Green Bay. He was obviously a man of faith and bore the challenges of cancer well.*

*Be assured of my prayers and support for you during this time of loss. May he rest in peace and may the Lord hold all of you in the palm of his hand.*

*God bless you!*

“ *I had the pleasure to know Rick through his work with Shopko. Rick was one of the good guys. Always positive and fun to be around, always kind and generous to everyone. He lifted the spirits of any group with his presence. Always fun on the golf course with the big lefty swing that crushed the ball. So sad to see him go- he will be missed.*

*Rest in peace Rick- I was glad to have the change to know you*

“ I shared the news of Rick passing with a group of people who I have worked with at Shopko for many years. The response was the same each and every time. Sadness and joy in the memories of Rick. His eternal positive attitude, and ability to connect with people was a constant that made him so very unique!

*I cannot thank him enough for all the things he taught me and the generosity he showed me over the years.*

*I will miss him so very much!*

*Rest my friend and know that you made a great impact on me and so many others!*
