“ *I knew Fred at AHS and perhaps junior high too...can't be sure... But I remember finding out that his middle name was Seward and how I teased him about it...He was a great guy and always available for a chat...I regret not seeing him at our reunions over the years...Condolences to each of you for your loss..*

“ *Fred and I met in boot camp in the Navy in 1960. Somehow, we clicked and were inseparable in our time in boot camp. Later after boot camp, despite moving on to different careers in the Navy, we maintained contact and I got to meet and enjoy his family. Although in later years, we did not see much of each other, we managed to meet many years later for lunch with his sister Carolyn. As I look back, it was a short but fruitful friendship that I have treasured over the years. I offer my condolences and thoughts to his family and friends.*
