“ So many memories with Gary. So many special moments. He has been part of my life since High School and we may have gone a few years now and then without being in touch but we always came back together. My heart is broken.

“ This has been a very sad week and hard to believe. Gary was a friend from high school and we bantered back and forth on FB for 11 years—dogs, kids, food, and making each other laugh. From coney dogs, and threats to send him to our old principal, Mr. Smolinski's office, Gary always had a good comeback! Now, I wish he could come back! Life won't be the same without you Gary. ❤️ Sending love and sympathy to your kids and family.

“ Taking a deep breath .. Gary was like a brother to me. We've been on lot of motorcycle rides and always ran into him at our local events and biker stops over the years . He attended all the events we had for my late husband Scooter aka Scott Libby who had cancer. Gary was always Happy and smiling! I have cleaned Gary's place for several years. It was always nice to chat with him when he came for lunch and catch up on what was going on. I'm really going to miss him and his dog Duke. Gary was a great person and deserved happiness it's heartbreaking that his life was cut short . My heart goes out to his whole family

“ Gary and I met 19 years ago through motorcycle riding. We became closer friends over the last three years through drumming and the love of music. Gary could always light a room up with his mere presence and smile. My condolences to his family. May Gary rest at peace! Sincerely, Michael James Zaruba

“ Gary was always himself. He was a genuine person who cared about others. Funny and outgoing, he was well liked but didn't really care if people did or didn't like him. That was part of his charm. Out spoken and passionate on a lot of the same topics I am. He was an ally both online and in real life. He will be missed by many.

“ I grew up with the Carbary family on Canmoor. We were the Braxton family and had so many great memories! Remembering the days of the band practices in the garage. I had just reconnected with Gary through a mutual high school friend and my heart goes out to all of the family. Gary had shared a memory with me, he told me that my sister Dee Dee had introduced the Allman Brothers band to him way back then and it ended up being one of his favorite groups still. Please know that our whole family sends their love and prayers to all of you...
With fond memories,
