“ *When I was 4 and Gary was 2 my grandmother told me to look out for & take care of my little brother Gary. I did and became like his little mother. As the years past I loved him more & more. In my life time he was my little brother, at times my big brother with good advice. Always my best friend! And in the end like my father..Always strong, always admired and I looked up to him like he looked up to me as we grew up. I miss him everyday. I think of him everyday as I am now. Miss you Gary and we will meet up again. Wait for me. I love you.*
