“ *Family is a gift from God greater than time, distance, life and death. Gaspere is family, is my cousin. The truth is these past years we've only physically seen each other a handful of times and Facebook seems to be how we mostly "saw" each other. Based on FB posts we clearly had different points of view, but all of that always fell to the side because love of family is deep in our blood, deep. On those occasions when we did see each other humor was our manner, the differences of opinions meant nothing, and the time between seeing each other seemed to evaporate. Even more so now.*

I thank God for the communion that reaches beyond space and time, life and death. As God receives you in sacred harmonious embraces, raising you through the healing Light of Mercy and within the Chimes of Compassion our prayers are with you cuz.

Peace, Glenn and Virginia Ben-Ezra

“ *Gator Alley Chapter of ABATE of FLORIDA sends their deepest and sincere condolences for all who were a part of Gas' colorful and purposeful life. He was a great supporter for many years, and we were honored to participate in fundraisers to help him out when he was in his motorcycle accident. He had a smile and a hug every time we got to see him out and about, and he will be missed by so many people he touched. May he ride with us as our Guardian Angel. Until we meet again, Gas. You lived life your way.*
