“ *George was my favorite customer of all time. Working in retail is tough especially when a lot of the customers can be grumpy and rude. But George was ALWAYS in a good mood and ALWAYS made an effort to make my day better, whether it be by bringing us gummy bears or cracking a joke, he was always going the extra mile to cheer us up. I will genuinely miss him.*

“ Not only was George so much fun to work with but he helped all of learn how to work gates, ticket counter and everything else he knew. He was a great friend to all and I'll never forget how happy he was when he fell in love with Kathy. I knew they were a special couple. When I heard of George's new journey, my heart dropped a bit and couldn't imagine what Kathy is going through. I found a feather on my car yesterday in he pouring rain and I think that's George saying he will always be there for Kathy in spirit

You'll be missed, my friend. (((HUGS))) to you, Kathy, as you deal with your loss. Praying for you. With much love, Kristin (carrot top)

“ I will always look back fondly of the time I spent with George at National and Pan Am. He was a loyal, dedicated professional willing to help out regardless of the situation. He was always quick to bring a sense of calm to the most hectic situation. The world is a little darker without him in it. Rest easy my old friend, thank you for being you.
