“ I love and miss you so much!!!! You've missed a lot. I'm married now to a man you'd absolutely love me being with. I wish you were here, he'd love nothing more than to go hunting and fishing with you just like you'd like. Our family has grown daddy. You'd be absolutely tickled pink by it. I wish I had more pictures of you young. I wish I had more pictures of you at all. We love you. I still think of you ever single day, somehow even more now. (: I hope you're resting peacefully and can see my happy little family. ❤️ I hope you and granny are together laughing and singing. Please tell her we never stopped loving her either... We just weren't allowed around anymore.... Give her the biggest hugs from us.

“ People told me it'd get better over time . I guess they're not exactly wrong . But they weren't right either . I don't break down randomly anymore , but I still think of you all the time . I wish I could spend more time with you . Share movies or tv shows . I still haven't made those chicken n dumplings . I planned to make them WITH you on the day I found you have left . . Even if you could only watch . I love you so much . And no one will ever be able to show me even half the love you did . You were an amazing father . I just wish we could talk . I miss you and I guess this is the closest to talking to you again I can get . I'll always be your little monkey . I'll forever be so angry with myself for not coming home sooner . I'll forever love you with all my heart . Btw you'd love my boyfriend . He's a hardcore republican just like you , and actually a lot like you in many ways . The ways he's not he's like mommy . Hahaha . I'm sorry I don't think trump is winning this year . I know, I feel the same way . Mommy is doing well . . Maggie is . . . It seems like she's . . . A democrat . Hahahaha . It's ok though she's still precious and wants the world to be ok . She means well . I love you daddy . Maybe I'll see you again soon . . . I think Billie will be with you again shortly, it's about that time . I still need you . . . I'll never stop needing you . . . I wish I didn't have such a hard time expressing my feelings . I know you knew but , I need you to know how much I really REALLY loved and cherished you . You're forever in my heart and in my mind .

“ Officer Gerard Cooley Was One Of The Best Man I Have Ever Met! He Became A Very Good Friend To My Sister And Then A Very Beloved Friend To Our Entire Family. He Would Come But Out Showroom At Least Once Every 2 Weeks Just To Check In. He Always Had A Smile On His Face That Could Light Up The Whole Room, With Such A Sense Of Humor & Such A BIG Heart. He Loved His Family & Community So Deeply.

I'm A Little Shocked Now As I Just Found Out He Passed Away. Our Whole Family Always Wondered What Happened To Him After He Got Married Because He The Last Time We Seen Him In Person He Introduced Us To His New Wife. Then Occasionally We Would See Him On The New On So Crime Scene. And Then Nothing After That. We Missed Him Very Much As He Was Such A Delight To Be Around. He Was One Of The BEST Officers Fort Myers Police Department Had Without A Doubt!

I Hope He Knew How Deeply Loved He Was! He Loved His Daughters VERY VERY MUCH As He Would Always Share Stories About Them And His Face Would Just Glow Talking About How Proud He Was Of Them.

My Prayers Go Out To Mr. Cool Cooley Family! :) May He Rest In Peace & Always Be Remembered For His Beautiful Soul & All He Did For His Community. You Are Deeply Missed Old Friend I Wish We Would Of Had One Last Chance To Say Good Bye & That The Years That We Didn't Get To Share With You Were Filled With More Love Than Your Heart Could Take!

UNTIL WE MEET AGAIN REST IN PEACE BELOVED FRIEND!

“ *I miss you and think about you everyday. My heart is so broken and I will never be the same without you in my life. I wish so badly I had you to talk to. I wish you could see I left that jerk. I wish you could meet the man that treats me so well and is so sweet to me. I wish I could have surprised you with that Tennessee trip. I was just the smallest bit too late. I can't say enough how I miss you. And how I'd give up any and everything to just have you come home.... I miss our talks. Our dinners. Our quiet times just watching TV... I love you. I miss you... You'll never see this.... I know you're my angel now...*

“ This is my friend of over 20 years..Detective Oral Gerard Cooley..known to me as Cooley. He kept crossing my mind over the last 2 years but alas my calls went unanswered and today I learned of his passing Dec. 12 2016.

He was instrumental in my meeting and my marriage to my (now deceased 1/3/2015) husband Jay. Cooley drove me to Alligator Alley to meet Jay for the first time. He loved Jay right off the bat! As a seasoned Detective & Profiler, he was my rock who helped me over the hurdles of my yester-years - I would ask his thoughts of 'potential' boyfriends occasionally and, like my mother, he did not like many! But Jay? He really liked Jay. Cooley loved Southern style cooking and introduced me to GRITS (i still don't like 'em!) He came to stay with us in NY while on vacation one time and I made the best damn ribs I have ever made in my life and have never been able to duplicate!! Cooley was witty, charming, caring and a loyal friend. I am blessed to have known him.

I have never met a man with a bigger heart, dogged determination and kindness beyond measure. You will always be in my heart, Cooley...RIP my friend, until we meet again on the other side. PS Please give a hug to Jay for me. Love Deirdre (Dee) Silverstein
