“ Aunt Glenda will be greatly missed. Her love and concern for others will always be remembered. Growing up, we all saw she was a wonderful, loving Mother and Aunt. She visited us when we lived in Clinton, and we visited her in Arlington a couple of times, where we played with cousins Chris, Joyce and Jodi. We also looked forward to reunions and time with Aunt Glenda because she made us feel special. She was always concerned about the needs of others, like whether we were thirsty or wanted a cookie, which, of course, we did.

As an adult, I remember when she met Frank and how happy she was that she had found "the one." When driving through her neighborhood, we had to circle around the long way, so we could see a peach azalea bush -- a reminder to not take the small joys in life for granted. More recently, I enjoyed phone calls from her, where I always got updates on her beloved cats.

Frank, Chris, Joyce and Jodi - My heart breaks for the physical loss of your wife and mother. Thomas Moore said, "Earth has no sorrow that heaven cannot heal." One day, you will see her again, and be back in her loving presence. Until then, may your memories help you through this difficult time, and may God's grace grant you peace.

Love,
Cyndi, Ed, Becki and Kristi Manuel
