“ *I remember always calling her "Mark's Mom". I never called her Mrs. Bergeron and I know why, I liked thinking of her as Mom. Gloria had a special warmth and caring about her that made everything OK. Throughout my elementary school years, no matter how upsettings things were at home, at school, or with the neighborhood bully, Gloria (Mom) could make me forget about them with her smile. She made everyone feel special and I carry that feeling with me to this day. Gloria was the most beautiful person I have ever known and I will never forget her.*

“ *Richard,  
Anita and I can't express how much sorrow we feel for you and your family. The friendship, parties and laughter we shared with you and Gloria and the rest of the Ridge Hill Road gang gave us memories that still to this day bring us joy. We often reminisce of how wonderful a friendship it was with you and Gloria. We feel so bless to have shared our lives with you and will always miss her love and warmth.*
