“ *Guy was part of a group of us kids in the 1950's that ran around at Lake Bracken. We sure had a great time. Good memories, that's what it's all about. Rest in peace Guy.*

I was there too. The club house, big raft with the high dive, Sunday movies, spooky walks home, swinging bridge, huge swing, etc. Trips to the dam, Y camp, what a time!

“ *Guy was truly one of our best friends!! My husband Bill Burgland and Guy grew up together as kids and I have heard so many stories from both of them about their childhood and have shared so many laughs. We spent many years of our early married lives being together and took our first Caribbean cruise together!! We missed Guy when he moved to Bonita Springs, Fla but visited him a couple of years ago!! May Guy Rest In Peace !! Your friends Bill and Jane Burgland*
