

## Harvey Daniel Juchum

August 31, 1931 - March 8, 2021

Harvey Juchum of Naples passed away in the early morning of March 8, 2021.

Born in the Midwest portion of the country, Harvey attended West Technical High School. Three days after graduating from high school, he was called into active duty with the U.S. Marine Corps.

Upon being released from active duty, Harvey started what would be the makings of a life-long career working as an apprentice die maker. While engaged there, he completed a die-making program and entered the die design field.

In time, Harvey joined the Chrysler Corporation as a die engineer. From there he grew within the business organization to become a chief die engineer, a manufacturing manager, a feasibility specialist and even an overseas engineering executive consultant.

When Harvey officially retired, he enthusiastically relocated from the cold north to the warm shores of the Florida coast. Here, where he could with the same commitment and dedication he put into his professional career, play golf his favorite sport all year long.

He lives behind a companion of 28 years; his two sons, three grandchildren and two great-grandchildren. He is also survived by a loving sister, friends near and far, and our fondest and forever memories of him.

To sign his guest register or to leave online condolences please visit [www.ShikanyFuneralHome.com](http://www.ShikanyFuneralHome.com)

Arrangements are being handled by Shikany's Bonita Funeral Home Family  
Owned and Operated Since 1978.

“ Very sorry to hear of your loss. I had never met Tom's father and Faith's grandfather, but I always heard great stories of how much he loved them. I know he is in a much better place with Tom's mother. My prays are with the family and safe travels back home.
