“ *We have been friends of Helen and Harold at Shadow Wood G&CC for over twenty years and spent many a Thanksgiving, dinner and golf game with them. The last time we went for dinner with them, just before we headed north, she looked radiant, as Zoe told her and, for some reason, seemed to have a glow about her, that was unexplainable. Perhaps now we know why. Nonetheless, we were shocked to hear of her passing and express our deepest sympathies to Jennifer, Freddie, and Novella. She constantly told us how proud she was of you all and that you were the sunshine of her life. Harold was inconsolable and will be very lost forever without his lifelong love. Thinking of you all at this sad time.*
