“ *It's been month, but we are still thinking of you, Rob, and your family. We did not know your Mom very well; but our times with her was with a caring, unselfish, family-first wife, mom and grandmother.*

*I know you must miss her deeply--losing one's mom is such a personal, rather lonely grief, memories and appreciations presenting themselves throughout the rest of your life.*

*May her soul be at peace in eternity and may God's consoling blessings be with you, your dad and brother, your family.*

“ *Helen was my best friend growing up and in school! I spent many hours with her brother Bill, sisters Ann and Mary! We lost touch but Helen was the sweetest person ever! So sorry for your loss! Sandy Lundy Stoudt*

*Helen was one of the sweeter ladies we ever knew. We spent so many fun times in Delaware. She was always smiling. She loved puttering in her home. She enjoyed her family and loved her grandchildren. Time on the beach was her happy place. Her home was always open for our visits. She made us feel very welcome. We will really miss her. Love from Nancy and App*
