“ I am a community Pharmacist and Mr and Mrs Sigmund has supported me for the last 10 years sharing and recommending us whenever given the chance. Well, the minute I met Henrietta, I reached out and hugged her and told her she's the second person I know with this beautiful name and it is only given to beautiful spirits with a unique vibrancy and love that she shared with her family, friends and community. I feel blessed to have known this very special woman. May her family find comfort in all the beautiful memories she has left behind.

“ My dad worked for Henry Baltz in Walnut Ridge, so I grew up knowing all the Baltz children. Hen was such a lady! Always lovely, always kind, always did the right thing. She looked so much like her mother, Genevive. I know you all will miss her terribly. Marjorie Schaefer Goff

“ I met Henrietta and Charlie in Ballwin, Mo in the early 70's and enjoyed many gatherings for golf and family outings, family and just plain partying!! Henrie was always a very happy but serious companion to Charlie who liked to play a prank or two and she would try to "tone him down" ...Always a class act, Henrietta will always be remembered as a beautiful loving woman whom I am very glad to have known.
