“ *Holly was the love of Tom's life. My Barbara and Holly had lots of tales of the ladies in the Lake Forest Garden Club. Tom often talked about his membership in the Offwentsia Golf Club in LF. BUT, his best story he told a few times was about getting a call from Craig. Tom had taken Craig on a tour of Scotland golf courses. Few years later, Craig called to see if Tom was interested in staying in a bungalow in a small town in Georgia. They would walk around and have fun. !!*

“ *I laugh when I recall when Holly visited Crab Lake for the first time. It was 25 below zero and Holly in her stewardess mini skirt and white boots flew into Ironwood, Michigan. By the time Tom arrived back at the cabin with Holly, there was no power which also meant no running water and necessities. I can remember the laughter as she huddled in front of the fire with Tom's mom feeding her soup to warm her up. That being the test to begin 54 years of marital bliss with Tom and their choice as empty nesters to live out their retirement years in a warmer environment.*
