“ *Tante Reni was one the most wonderful persons I got to know in my life. Ever since I met her first when I was 11, she wasn't only an aunt, but a real friend and from the first moment until now she has a fixed space in my heart and that's how I'm gonna keep her forever. I always admired her in everything she did, how she was, how she treated other people and I learned so many things from her, that formed my life. Always wanted to be just like her. With her I always felt home. There is another bright star ✨ up in heaven now and some day we'll see each other again. Love you Tante Reni*

“ *My Beautiful Aunt Irene, she was always a bright light in my life, like a second mom to me. One of the kindest souls I've ever known, a strong woman I've always looked up to and aspired to be like. I love you my Auntie Irene, you will be dearly missed.*
