“ *Dearest Mading Family,*

I was so extremely saddened to hear of Isabella's passing. I am the Receptionist at The Children's Home of Pittsburgh, & my heart is aching for you as I remember you passing by my desk day after day, sometimes taking sweet Isabella for a stroll in the back grassy area of the facility. I had no idea what all you were going through and have gone through. My deepest condolences to every member of your family. My prayer for you is that the Lord will strengthen & sustain you, & will flood your hearts & minds with a peace that surpasses all understanding.

*Sincerely,
Renae Traeger*

“ My heart and prayers go forth to all of you in deepest sympathies for the tender loss of your dear Angel, Isabella...the following passage graced me with comfort in one of my times of deep loss...I offer it to you in the hopes it too may gift you with some celestial peace... ".the just one though she die early will be at rest..for the age that is honorable comes not with the passing of days nor can it be measured in length of years..rather understanding is the silvery crown for her and her unsullied life the measure of old age.. she was deeply loved, and having won God's favor, He sped her out...but the people saw and did not understand.. ". Wisdom 4. May you forever feel His peace...

I read about the loss of your daughter and the tragedy of losing your daughter and son to this disease. It broke my heart to feel the deepest sense of hurt and loss you've experienced - so I could never imagine how that must be for you and your family. My heart is with you, my prayers are with you and every sense of hope and compassion I can forward in whatever way, is also with you. Sharon Kells, Queensland Australia
