Sorry for your loss Marty and family. I have very fond memories of Marty at St Cats. He was always a welcoming and sincere upper classman to me. You will be in my prayers.

Jack was a mentor and true friend to me during my career at Case Corp. Along with his wife and kids they accepted me into their family and had me over for many fun times. We affectionately called him "El Supremo Froggo" when he was our senior purchasing man in France who always went out of his way to make sure those of us coming over for work were looked after. He will be missed.
