“ *Debbie, Kim & Leah, I'm one of Jack's many Weems cousins. I want to let you know how saddened I am to hear of his home-going. I haven't met you all, but the couple of times I talked to him on the phone, I could tell how happy he was with his family and living in FL. We lived across the street from one another in luka during our early school years and Jack was like a big brother to me, although he was only a few months older. I will keep you in my prayers. God bless you and comfort you in the coming days.*
