

Jack V. Loewel

October 29, 1950 - January 19, 2026

Jack V. Loewel, age 75, of Naples, Florida, passed away peacefully at his residence on January 19, 2026.

Jack was born on October 29, 1950, in Columbus, Ohio, a son of the late Jack W. Loewel and Helen (née Molinski) Loewel. He was a proud graduate of The Ohio State University and later earned his Master's Degree in Education from the University of Miami in Coral Gables, Florida.

Jack was a man who appreciated a captivating story, a well-timed joke, and the company of loved ones. He thrived on conversation and connection, and his larger-than-life personality ensured he made friends wherever he went.

Jack's philosophy was that life is meant to be enjoyed. He loved spending an afternoon on the golf course, exploring new cities while visiting baseball fields, and never missed a happy hour with friends.

Jack lived life entirely on his own terms up to his very last day. His presence was undeniable and his memory will remain a vivid part of our lives forever.

He was preceded in death by his son, Jake Loewel with whom he is now reunited.

Jack is survived by his loving wife, Susan E. Loewel of Naples, Florida; his daughters, Heather Loewel and Taylor Rose; and his stepchildren, Ryan Ulrich (Maggie), Emily Llera (Tony), and Sara Ulrich. He is also survived by his cherished step-grandchildren, Ariana and Adrian Rouse, Hannah and Adam Ulrich and Antonio and Addison Llera.

He is further survived by his brothers, Brian Loewel (Joanne) and Mike Loewel (Charlotte).

“ We miss Jack. His smile (his devious smile!), his laughter and his wit. We had just gotten back to Naples when we heard the news and were so sad. He was our gateway on our quest to find the best pizza place in Naples. Just a fun person to be around and be light hearted with. He leaves a big hole and we are so sorry for your loss. We will continue to hunt for the best pizza in your honor. Love, John and Jennifer

“ Susie - I am so very sorry for your loss of your dear husband, Jack. I will always remember how Jack used to kid around and make me laugh. He had a great sense of humor - was joking a lot when I was around - and yet, he had such a sensitive side, like when he was totally overwhelmed by my get well card. I am keeping you in my thoughts and prayers. Love, Donna

“ Jack seemed to have a smile for life. Transferring to Wickliffe in 6th grade, I enjoyed hearing him laugh--you never missed his laugh. At one of the reunions for Class of '68, he grabbed my hand and we had a rockin' dance.

It is nice to hear his life was full of good times and good people--that will make beautiful and long lasting memories for his loving family. Rest in good times and gentle peace, Jack. Mindy Rowe Hall, Class of '68, UAHS

“ One of my favorite memories of Jack is when he drove me down 5th Ave in his convertible, top down and me sitting up on the back seat, for the NHS Homecoming parade. I think he was just as proud as my own dad. I'll miss you uncle Jack.
