“ *My dear friend Jack. I don't know where to begin. I just recently found out that you have gone onto glory land. I love you! and will hold onto all the memories we've shared inside and outside working for DJJ. I know that you are resting in the father's arms. May your family have peace and embrace the joyful memories celebrating your life. Your presence still lives on...*

“ *I am very sadden by this ! I had the pleasure to work with Mr. Mc Cotter for many years and I can say he truly was a great person to be around. I enjoyed listening to his jokes , work issues and the key west trips in which he enjoyed very much so. Jack loved his DJJ kids and the staff he worked with. Its sad to hear that he finally retired and did not enjoy it how its supposed to. Mr. Mc Cotter will be missed! He will be in my thoughts and prayers. Sincerely,
Supervisor L.Ortiz*

“ I had the opportunity to work with JAck for several years, he was my friend and taught me many things at work. We used to laugh a lot and I recall him talking lovingly about his family and his sister who would embroider him pillowcases with his name on it. I will certainly miss my friend but never forget him. Soar with the angels now Jack and fly high 🙏

“ I worked with Jack for many years and after he retired we would have dinner often. I have been trying to reach him and was shocked to see his obit. He was the kindest, sweetest, and best hugger I know. His friendship meant the world to me. My phone number is 12397389042 if I can do anything for you. He told me about his visit to see his sister and family.
