“ *We worked with Jamie for over 15 years. He was always pleasant, professional, kind, fair and gracious. He had a warm and wonderful smile that I remember, even being retired over 6 years. Our deepest condolences to his family. This world could use more people like Jamie. Rest in peace friend.*

“ *It is difficult to write in a few words the feeling of losing a great friend, a leader, my mentor.*

*I talked to him a few weeks ago about what we talk about most, cars and life!*

*Today I am what I am thanks to the patience and perseverance of a person as special as my dear friend Jamie. Sorry for the writing, but it is very difficult to write emotionally about a great friend who passed away using a translator.*

*To all family and friends, I ask God to comfort your hearts and I thank you for the opportunity to tell you that Jamie was and will always be part of my story! Rest in peace "Pappa"*
