“ Dear Mike, Tony, Lesley, Mark, Matthew, Lisa and John and your families:

*We were so sorry to hear about Jim's death. I was telling Greg stories about when our families would get together when we were little. How we would chase each other and be loud and drive our parents crazy. Although, I think your dad (Uncle Jim) really enjoyed it!*

*It has been a long time but I have very special memories of your family. Our thoughts and prayers are with all of you.*

*Love, Greg and Theresa Kopec*
